America's Finest African Violets •

Direct From America's Foremost Grower and Hybridizer

Here is your full color catalog picturing the latest and most popular African Violets from the Fischer Greenhouses.

HOW TO ORDER BY MAIL

Browse through this booklet, checking those violets that you would like to have. Then tear off the order blank, found on the last page, and indicate on the order blank those violets that you desire. Minimum order four plants or ten fresh cuttings. All shipments will be made by Parcel Post unless you request otherwise. The 1962 shipping season begins in early May and continues through mid-November, weather permitting. All plants, with the exception of fresh cuttings, are shipped in 2 1/4" plastic pots. **Please send check or money order with order, no C.O.D.**

IMPORTANT PRICING INFORMATION

Following each plant description you will find three prices listed. The first price refers to the Regular Plant price; the second price refers to the Starter Plant price; the third price refers to the Fresh Cutting price; n.a. means that the plant is not available in that particular form. See page 12 for additional information on Regular Plants, Starter Plants and Fresh Cuttings.

ABOUT OUR AFRICAN VIOLETS

REGULAR PLANTS are well established African Violets that arrive at your home either in bud, ready to bloom, or in full bloom. These African Violets are grown with the utmost care and are shipped to you so that you may enjoy immediate satisfaction from their beautiful, hearty blossoms.

STARTER PLANTS are African Violets made available far below regular cost. For our customers who like to grow their own stock, starter plants are an ideal and economical answer. These are young, vigorous, well-established plants in 2 1/4" pots. They offer many advantages over rooted cuttings, since there is no transplanting setback and plants will bloom more quickly.

FRESH CUTTINGS are leaves that are freshly cut from Fischer's named varieties. Packed so that they will remain fresh, these Fresh Cuttings are rushed to your home so that you may enjoy the thrills of rooting and growing your own stock. A thrilling and economical way to enhance and diversify your collection.
